Explore what's possible

Built to evolve around your needs with market-leading ease of use, the RX series is the only interactive display that offers user-programmable tools to help you support inclusive classrooms.

Blend physical and digital worlds

Turn static lessons into immersive learning experiences with SMART's Tool Explorer technology for a participative learning journey like no other.

Delivering true multi-user interactivity

Let your students write, erase, touch, and gesture at the same time without interfering with one another's tool choices for a truly collaborative experience—only with SMART.

Security meets convenience

With NFC and QR-based-sign-in options, say hello to a secure, convenient log-in and enjoy a personalized user experience with direct access to your cloud storage.

SMART

Android 13 made SMART

Easier workflows for educators, a feature-rich whiteboard, built-in tools and resources and student device integration—all designed to save you time and offer a personalized user experience.

iQ puts everything teachers need to confidently teach at their fingertips, regardless of their tech comfort level.

The "walk up and teach" whiteboard

Make the most out of every lesson without overwhelming prep:

- ✓ Engage students with built-in digital manipulatives, graphic organizers, embedded image/video search and more
- ✓ Import multi-page PDFs effortlessly
- ✓ Increase engagement with exit tickets such as whole-class polling and a whole-class whiteboard

Intuitive connected computer experience

Say farewell to frustrating interruptions and enjoy a fluid, uninterrupted teaching experience with your connected device. Only SMART Ink lets you annotate across applications, browsers, and connected video sources and save them directly into PDFs and Microsoft Office files.

iQ at a glance

- Integrated Google EDLA with access to Google Play
- Built on Android 13—with automatic OTA security updates & feature upgrades
- Sign-in made secure and convenient
  - With built-in NFC card reader
  - From personal device via QR code
- Personalized quick-launch home screen
- File library with direct access to Google Drive, OneDrive and Lumio
- Split screen mode and picture-in-picture

Technology designed for the long haul

With the RX series' automatic updates, your teaching and tech evolve — without the learning curve or purchasing stress of a new display. How do we do this?

- A future Android update
- Regular OTA security updates and feature upgrades
- Appliance based upgrade paths

SMART Quality	Warranty	Security and Privacy	Training	Sustainability
Our Accelerated Life Testing minimizes product failures, cutting e-waste and CO2 emissions from unnecessary replacements.	Your display is protected from the get-go, with perks like advanced replacement, 2-way shipping, and on-site service for eligible users.*	Privacy is our default policy! Enjoy all the interactive features worry-free with our built-in security features.	Empower educators with onboarding support and access to training and professional learning —so they can focus on what matters most.	We use minimal materials while packaging and optimize it to fit 30% more products in containers, slashing carbon emissions.

* Available in North America, UK & Ireland, Austria, Germany, Switzerland, Belgium, the Netherlands, Luxembourg, Australia & New Zealand
