ABOUT THIS PRODUCT

Our Supertex Pro Protective Coverall, engineered to meet CE Type 5b & 6b standards for effective protection against fine dust particles, light spray, and limited liquid splashes. Designed with antistatic properties and featuring a 2-way zip front with a storm flap, this coverall ensures comprehensive coverage. Elasticated cuffs, ankles, waist, and hood provide a secure fit, while the microporous breathable fabric guarantees comfort during extended use. Each coverall is individually packaged for hygiene and convenience, offering exceptional value for industries requiring reliable protection at an economical price.
